Programs Descriptions

Family Stay & Play (0 to 6 years) - Parents, caregivers, and children are welcome to engage in various fun early learning experiences that build positive relationships. A selection of materials will be available for you to play and learn together while providing parents and caregivers with an opportunity to connect with others.

Little Artists – (2 to 6 years) – Welcome to Little Artists! This program inspires the adults to nurture creative kids through easy, open-ended, and fun activities. It's the kind of activity that children will want to do over and over again.

Loose Parts (2 to 6 years) - Loose Parts play uses materials from around the house! Children are invited to explore everyday objects in imaginative ways. Introducing loose parts play provides endless opportunities to develop early literacy, math, and problem-solving skills.

Musical Babies (0 to 12 months) - This program welcomes parents, caregivers, and babies to experience music together. Families will gather together and sing songs, learn rhymes, and use a variety of musical instruments, props, and materials.

Sing & Sign (0 to 12 months) - This program is an introduction to American Sign Language for hearing infants. The session uses songs and games as a tool to include signing in everyday routines. It is an opportunity to bond with your baby and support language development as well as attachment.

Toddler Time (10 to 30 months) - Parents, caregivers and toddlers are welcome to play together and discover the world through their senses. The nurturing environment enhances learning experiences that support healthy child development.

Zumbini (0 to 6 years) -Zumbini is a movement-based program that provides the opportunity for children to experience the sounds and rhythm of the music and movement. Zumbini also encourages parent-child bonding while helping to develop cognitive abilities, motor and social skills, language, and emotional well-being. It is also a fun workout for parents!

Outdoor Programs

Nature & Me (0 to 6 years) - This program welcomes parents, caregivers, and children outside to explore what nature has to offer. We invite families to discover, appreciate, and respect nature by discovering sights, sounds, smells, and touch along the way. There may be an opportunity to see animals and wildlife in their natural environment.
