PROGRAM DESCRIPTIONS

Baby & Me (0 to 12 months) - Parents, caregivers, and babies are invited to join in on conversations and information sharing on healthy child development. This program includes songs, rhymes, and activities, which encourage connections with your baby.

Baby Move & Groove (0 to 12 months) - This program provides an opportunity for parents, caregivers and their babies to engage in active play that supports the development of gross motor skills while having fun. Through a variety of activities together we will stretch, bend and move to music to support healthy living while celebrating developmental milestones.

Family Stay & Play (0 to 6 years) Parents, caregivers, and children are welcome to engage in a variety of fun early learning experiences that build positive relationships. A selection of materials will be available for you to play and learn together while providing parents and caregivers with an opportunity to connect with others.

Infant Massage (0 to 12 months) - This program promotes nurturing touch and communication and teaches parents how to massage their babies, read the baby's cues, and help with bonding and attachment. Supporting and encouraging parents to trust their abilities and intuition are part of the process. The International Association of Infant Massage (IAIM) instructors are certified to teach this program. **Registration Required**

Little Gym (1 to 6 years) - Physical activity is an integral and beneficial part of any child's growth, helping to build a child's self-esteem, confidence, physical skills, and brain health. My little gym is just that...a little gym that encourages imaginative play and movement-based learning.

Musical Babies (0 to 12 months) This program welcomes parents, caregivers, and babies to experience music together. Families will gather and sing songs, learn rhymes, and use a variety of musical instruments, props, and materials

Parent and Child Yoga (2 to 6 years) - This yoga-based parent-child program introduces mindfulness to children through yoga poses, and journeys through an exploration of fun movements, allowing each child to develop physical literacy skills and foster optimal health.

Tiny Toes (0 to 12 months) - Research says infants should be physically active several times a day for optimal growth and development. This program invites parents, caregivers and babies to engage in fun and interactive music and movement experiences to enhance and support adult-baby connection, physical literacy and early learning.

Toddler Time (10 to 30 months) Parents, caregivers, and toddlers are welcome to play together and discover the world through their senses. The nurturing environment enhances learning experiences that support healthy child development

Outdoor Programs

Nature & Me (0 to 6 years) - This program welcomes parents, caregivers, and children outside to explore what nature has to offer. We invite families to discover, appreciate, and respect nature by discovering sights, sounds, smells, and touch along the way. There may be an opportunity to see animals and wildlife in their natural environment.

Virtual Parenting Program

Let's Talk - Parenting is not always easy and it helps to know we are not alone. This program provides time for parents/caregivers to come together to network and share their parenting experiences and challenges. Community partners may also join to offer their expertise. Settle in for an hour just for you!

Virtual Programs

Musical Babies – (0 to 12 months) - This program welcomes parents, caregivers, and babies to experience music together. Families will gather and sing songs, learn rhymes, and use a variety of musical instruments, props, and materials

Songs, Rhymes & Stories (0 to 6 years) This program welcomes parents, caregivers, and children to experience a variety of stories and musical activities. Music brings the community together and families will have the opportunity to hear and share songs, rhymes, and stories.

For February Songs, Rhymes, and Stories is being offered in the following languages: – **Cantonese, English, Italian, Mandarin, Punjabi, Spanish, Turkish, and Urdu**
