Program Description

Baby Move & Groove (0 to 12 months) - This program provides an opportunity for parents, caregivers and their babies to engage in active play that supports the development of gross motor skills while having fun. Through a variety of activities together we will stretch, bend and move to music to support healthy living while celebrating developmental milestones.

Creative Chefs (2 to 6 years) - This program invites parents, caregivers, and children to participate in fun and interactive early learning experiences while preparing healthy and nutritious food. Resources on healthy eating and nutrition will be made available for families

Registration Required

Family Stay & Play (0 to 6 years) - Parents, caregivers, and children are welcome to engage in various fun early learning experiences that build positive relationships. A selection of materials will be available for you to play and learn together while allowing parents and caregivers to connect with others.

Fun with STEAM (2 to 6 years) - This program invites parents, caregivers, and children to explore STEAM skills and concepts in a group setting. STEAM (science, technology, engineering, art, and math) learning happens every day as children investigate, play, communicate, and try new things.

Infant Massage (0 to 12 months) - This program promotes nurturing touch and communication and teaches parents how to massage their babies, read the babies cues and help with bonding and attachment. Supporting and encouraging parents to trust their abilities and intuition are part of the process. The International Association of Infant Massage (IAIM) instructors are certified to teach this program.

Registration Required

Musical Babies (0 to 12 months) - This program welcomes parents, caregivers, and babies to experience music together. Families will gather and sing songs, learn rhymes, and use a variety of musical instruments, props, and materials.

Playful Math (2 to 6 years) - Math is everywhere in our environment! We will use a variety of songs, rhymes, and activities to discover how math can be part of everyday play.

Preschool Play & Learn (2 to 6 years) – Parents, caregivers and preschoolers are invited to a supportive environment that provides opportunities to discover and engage in social and interactive play to enhance every area of early learning and development.

Toddler Time (10 to 30 months) - Parents, caregivers and toddlers are welcome to play together and discover the world through their senses. The nurturing environment enhances learning experiences that support healthy child development.

Outdoor Programs

Fun in the Snow (0 to 6 years) - This program welcomes parents, caregivers, and children outside to explore what winter has to offer. Participate in various winter activities such as going on a nature walk, digging and building in the snow, and circle time. Please dress appropriately in winter clothing as the program is completely outdoors.

Fun with Science (1 to 6 years) - Every child is a born scientist! This program offers fun, hands-on, interactive and educational science experiments and ideas for the whole family.
